We had a wonderful Holy meeting in the afternoon and were blessed by many special attendees. We are so happy that Mr. K, Missionary Han, and Sis. S, who is a manager of the Bonnie Brea House, attended our Holy meeting. We truly appreciate Mr. K. for his hospitality and kindness in offering to drive Pastor Akimoto. Every time we host a meeting in L.A, he always opens his house for Pastor Akimoto to stay. We are also thankful for the ministry of LWIM as the Lord uses Missionary H. to pray for and truly encourage our church. Dr. Elizabeth Yoo from Siloam Church also came to visit us and to greet Pastor Akimoto in the afternoon. We are thankful for their faithful support to the TLCCC LA Church since its beginnings. Upon seeing God's people and reflecting upon their faithful support all these years, I was moved and encouraged that the Lord Himself has been taking care of and leading our church since 1992.

The evening ended with Pastor Paul Akimoto's message from Romans 8:28 and a time of blessed prayer ministry in Irvine, Orange County. The meeting was well attended and everyone who came was spiritually strengthened and filled with joy!

Thank you again for your intercessory prayers. God bless you!

(TLCCC Prague Church)

Ahoj! Praise the Lord! We really appreciate your intercessory prayers and precious offerings for us!

We have received a message from Pastor R of Apostolic Church in Slovakia and received a request for service at the beginning of this month.

When we served in the church of Ukraine in March this year, then Pastor R was also invited to serve on the same day, so we could meet and get to know each other there. We are surprised that they gave us this opportunity to serve at their church so soon, inspite we did not talk about service at their church at all at that time. And we praised the Lord from our hearts to open this way. I heard that people will get together not only from the town of Pastor R's church but also from other city where is the big head church of Apostolic Church and from around the city near pastor R's church. So, we kindly ask you to pray for us so that we could complete the service of God's will.

And the celebration of "the day of Jerusalem" was held at St. Vitus Cathedral in Prague Castle late this month and I attended there with Marek. Security was very severe unlike before because of good willing events between Israel and Czech Republic. We realized through this that we are now in the place where there is enough possibility of terrorist. So, we attended there with
