## **Blessings by the 21 Century-style Evangelism**

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” (Mathew 28:19-20)

Thank you very much for your precious prayers and monetary donations. A short mission team was sent to Cambodia from January 2 through 5, the members consisting of 13 including a local staff member. It was sent when the Lord had been telling us of the development of the work of orphanage throughout the world.

“The Cornerstone Orphanage in Cambodia” operates as an international NGO. The children of the orphanage are online church members of TLCCC Tokyo Antioch Church and under its spiritual covering. This helps their faith to change and grow steadily, and makes them stronger daily spiritually and practically.

While the mission was with them, they had a wonderful and memorable time enjoying bowling at a shopping mall and barbecuing at the orphanage site. The team members taught them how to use a camera and take footage, and to make songs just like during the last mission. Their lively smiles were truly impressive.

One child was baptized at one of the evening meetings, this too like the last time. Since we started to send a mission regularly to this orphanage, every team has seen someone baptized. We also saw what the church covering had done to the children when they sang original Japanese Gospel songs in Japanese and the children who had taken keyboard lessons accompanied special praise songs.

We live in the age when the work of Evangelism drastically changes by the worldwide spread of the Internet. Now it is possible for the church to give people spiritual covering through the Internet. We need to thoroughly obey God using the Internet as His weapon and going forward to accomplish the work of the Latter Rain Revival.
