The Mission of the Praising Band in Revival

“Give thanks to the Lord, for his love endures forever.”

As they began to sing and praise, the Lord set ambushes against the men of Ammon and Moab and Mount Seir who were invading Judah, and they were defeated.

(2 Chronicles 20:22)

Thank you very much for your precious prayers and monetary donations. A mission team will be sent to Cambodia from September 24 through 28. Please pray that the Will of God will be completely done for the development of the work of the Cornerstone Orphanage Cambodia and the spiritual covering of its online church members.

The TLCCC Tokyo Antioch Church, the basis of the Water Flowing from the Sanctuary Mission, started its overseas mission work by smuggling the Bible into foreign counties as God had shown us.

The mission teams to Davao, the Philippines, followed. In the early stage of the work there, team members were not at all good at singing. Usually at crusades, we bring people together with singing praises, but our groups dispersed them instead because of their singing. What changed such a situation was the Word of God spoken through a prophetic word.

It said, “God will form a praising band.” Without knowing what it meant, the mission team to Israel of that year took a keyboard and guitars to the top of Mt. Sinai and sang praises to the Lord. God’s strong presence was there, which brought everyone to tears. It was then that the work of praise songs started to change.

Ever since, the way the Holy Spirit works through our praising band on overseas mission has changed. At crusades, people have been saved through praise songs, and healing has occurred in outstanding ways. By the Lord’s presence in praises people are touched by Him. The work of praise songs has been greatly changed. Preparations are thus steadily underway to accomplish our calling for the End-Time Revival based on the work of praise songs.

The Bible says that "as they began to sing and praise" the battle became God's, and the promised victory was given. The mission of "the praising band" was to sing and praise at the forefront of the battle obeying God. When we stand firm in our mission as God's praising band and keep singing and praising, our battle will become God's, and the Lord will reveal His victory and glory in Revival.
