The Work of Orphanage Advanced

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

(Mathew 28:19-20)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. A mission was sent to Cambodia from September 24 through 28. The team consisted of 21 people including one local orphanage staff member. This mission had an important point for the next phase of the work of orphanage as the Lord has been telling us about His plan for this work throughout the world.

"The Cornerstone Orphanage Cambodia" has been active as an international NGO. Since the children there became online members of TLCCC Tokyo Antioch Church and have been under its covering, their change and growth in faith have been astonishing. They have daily become strong both spiritually and in practical ways.

During this mission, days were spent in sea bathing, bowling and ice skating at a shopping mall, and barbecuing at the orphanage. The children learned to shoot videos, make songs and play the guitar from the team members this time also. Impressive were their eager and serious eyes.

Since we started to send mission teams regularly, the children started to sing original Japanese Gospel songs in Japanese at evening meetings. And this time, for the first time, they offered a special praise song they had made themselves. We saw abounding blessings they had received under the church covering.

This mission team had quite a few people belonging to the church's Gospel groups. A door was opened to an original Japanese Gospel concert at a shopping mall. Spiritual doors were surely broken, and a way was made to the next phase of work. Please pray that we will be able to obey the Lord thoroughly so that His Will for the work of orphanage will be completely done.
