## The Fulfillment of the Promised Revival

"But the one who received the seed that fell on good soil is the man who hears the word and understands it. He produces a crop, yielding a hundred, sixty or thirty times what was sown."

(Matthew 13:23)

Thank you very much for your precious prayers and monetary donations.

One month has already passed since our new walk started after receiving this year's Scripture verse in Israel. God said during a mission to St. Louis in May 2015, "Revival has started." And the mission to Israel this year saw a further step forward toward the fulfillment of His promise, our calling for the work in the End Time Revival.

The Tokyo Antioch Church, the mother body of the Water Flowing from the Sanctuary Mission, was planted in 1984 to respond to the calling of God for His Work in the End Time Revival. Our Mission has been operating for the past 30 years. By seeking only the Will of God and thoroughly obeying Him, God led our way to preach the Good News miraculously in all the five continents of the world, the last being New Zealand in September 2013. When He first told us about overseas mission, we stepped forward by faith, but nobody had a passport, not even one of us could speak English. But as we sought only the Will of God and obeyed Him thoroughly, all the needs including the costs of the mission were met. The nine Gifts of the Holy Spirit, the weapons of Evangelism and especially that of prophecy, were given when we asked for the understanding of the Will of God correctly and fast. Evangelism is the work of the Holy Spirit. Nobody can stop His work when we thoroughly obey Him.

"The people who understand" told in this year's Scripture verse are those who understand the teaching and promise of God, receive them, believe and obey Him. When our Mission started, we had nothing whatsoever. The only thing we had was God's Word of promise given through the Bible and prophecy. God will accomplish the promised Revival and reveal His Glory when we stand firm upon His Word of promise, become "the people who understand", obey Him thoroughly and do faithfully what has been told.
