Evangelism using Internet and AI

-Heading for the Accomplishment of the Mission for the End Time Revival-

[This Year's Scripture Verse]

“But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown.”

(Matthew 13:23)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. In January, while the flu was rampant in Tokyo due to an extremely dry weather, which caused many deaths, the northern parts of Japan suffered from an abnormally heavy snowfall. In addition to the radar irradiation issue between Japan and South Korea, various issues grab the headlines in the world's leading countries such as the U.S.A., China, Britain, the EU, etc. Phenomena which seem the signs of Our Lord's Second Coming have been happening not only in Japan, but throughout the world. We are surely approaching the Age of Revelation and Christ's Second Coming.

Our Lord Jesus commands us to preach the Good News to All Creation throughout the world by the Great Commission given to His disciples. With the fast spread of Internet, SNS (Social Network Service) was popularized amazingly fast, and has become an indispensable tool of communication and information gathering for all generations. Today, there exist many who depend solely on SNS for communication and information gathering. We need to push forward the work of evangelism using SNS effectively as a weapon of evangelism when the time nears Our Lord's Second Coming.

At the same time, as artificial intelligence (AI), the latest technology, evolves dramatically, its use has spread rapidly in numerous fields such as safety management, medical equipment, medical and nursing care. It is repeatedly said through prophecy that the point for evangelism and the church work is the introduction and the use of the Internet and artificial intelligence in the days to come.

We have entered an age when artificial intelligence is used together with internet for evangelism. They will become powerful weapons together with the Gifts of the Holy Spirit to push forward mightily the work of evangelism as we head for the accomplishment of our mission in full swing for the Latter Rain, the End Time Revival. As we aim at the fulfillment of the Great Commission, if we thoroughly listen to the Lord and obey Him, He will do His work, fulfill His promise, and reveal His Glory.
