Discern the Time and See the Fulfillment of God's Promise

-Accomplishment of the Mission in the End-Time Revival-

“so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.” (Isaiah 55:11)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. We would like to inform you that on May 20 Pastor Paul Akimoto's missionary visa to the U.S.A. was renewed. He is missionary of WFSM at the same time as pastor of Tokyo Antioch Church. It so happened that on this very day 4 years ago God told us in St. Louis, the U.S., that Revival had begun. We believe that this will advance God's promise to establish 100 churches and evangelize in this country to a next phase.

The U.S.-China trade friction took a turn for the worse again and we fear a trade war. Its influence over the world economy is a great concern. The tension between the U.S. and Iraq has been rising over nuclear issues. The Book of Revelation does not mention the U.S.A. Nevertheless, it is the center of the world and holds a central place in a spiritual aspect as well. It is a point in evangelism to Europe and South America. It is also a point in the world mission and the work in the End Times. And we need especially to note the importance of these two cities: Denver and New York. Our first mission team to the U.S. was significant in that God gave us His word of promise about world mission and the work in the End-Time Revival. It was at Denver International Airport on the way back to Japan that the team saw a double rainbow, the sign of God's blessings for the first time. He had given us His promise to bless us with rainbows. And New York is shown as one of the seven cities of the world for God's work in the End Times. We would be grateful if you could pray that the establishment of one hundred churches will advance and the End-Time Revival will be accomplished.

The Age of Revelation is drawing near when just anything could happen. Various difficulties and persecutions will be allowed to happen and many people will be martyred. We need to check the world situation carefully with what the Bible says. Let us obey the Lord thoroughly and see Him fulfill His Promise and show His Victory and Glory.
