Accomplish Our Mission for the End-Time Revival

“so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.” (Isaiah 55:11)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. The situation has been tense between Iran and the U.S. since Iran announced it had shot down a U.S. drone. And if the U.S.-China trade friction becomes a trade war, a grave consequence will be feared not only on the world's two big powers but also on the world economy.

We know from the Bible that severe persecution and difficulties will come in the days ahead. And the Bible also talks about the signs of Our Lord's Second Coming such as “Take heed lest any man deceive you” or “For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in divers places, and there shall be famines and troubles”. Based on the Bible, we can discern the time with what is happening now and the information we get. Since the Great East Japan Earthquake, earthquakes of magnitude 6, 5 and over have hit various places of the world. There also have occurred things we had never seen before such as abnormal weather, global warming, mega typhoons and tornados coming one after another. Natural disasters have increased in a way we had never seen before. Such natural disasters are linked with economic problems and economic problems could cause war.

Israel is the center of the End-Time stage and said to be the hands of the End-Time clock. The situation in the Middle East started to change greatly and Israel has begun to be isolated. The Bible says that Israel will be hated and attacked by all nations. We need to be mindful that everything is moving in that direction. The Anti-Christ who would conclude the Middle East peace treaty is considered to be the political leader of the EU, the Restored Roman Empire. We also need to watch carefully how EU will be related to the Middle East situations.

Time has steadily been moving toward the Age of Revelation. Let us discern the time, obey God thoroughly, and accomplish our mission for the work in the climax of the End-Time Revival.
