"In the same way, faith by itself, if it is not accompanied by action, is dead." (James 2:17)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. Five children from the Cornerstone Orphanage Cambodia have been in Japan since July 20 (till August 8). They are The Tokyo Antioch Church's online members and under its spiritual cover. Debrief meetings of the Orphanage activities have been held at the Hakuba Summer Camp, in Tokyo and the Kyushu, Kansai and Chubu Regions. Please pray that God will protect them and His Will for this visit will be done completely.

A summer camp was held in Hakuba, organized by TLEA Tokyo Antioch Church, the mother body of the Water Flowing from the Sanctuary Mission. This camp was started by God's special leading to accomplish our calling to the work in the Latter-Rain Revival and the End Times, and is held twice a year, in February and July, in Hakuba, Nagano Prefecture. This location is closely related to the white horse in the Book of Revelation chapters 6 (the climax of the End-Time Revival) and 19 (as the name "Hakuba" means a white horse in Japanese). We strongly feel God's special leading and plan for this camp. The summer camp focuses on "J. Gospel Contest Final" where Japanese original Gospel songs (J. Gospel) are sung by our church's Gospel groups in competition. In the early years the entrants were adults only, but today we have categories for kids and under 21-year-olds (from junior high school students up to 21-year-olds) as well. As it is said that God will make a great use of praise songs, Internet, AI and images in the world mission through prophetic words, various activities were offered during this camp such as classes in voice and orchestra training, music arrangements, and seminars on SNS and blogs, AI and images. The Cambodian children had kept praying so that they would be able to attend this camp without giving up and finally saw their dream come true. They won the 5th prize in the category under 21-year-olds with the song they had made themselves.

The work of the Holy Spirit has started to change evidently through J. Gospel and the gifts of the Holy Spirit. People have been saved through praise songs, and God's work has become more evident through the words of Wisdom and Knowledge. When we obey the Lord rightly, He will accomplish His work Himself and reveal His glory.
