## Prayer and Obedience to God to See His Promise Fulfilled

”so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.” (Isaiah 55:11)

Jerusalem Sugisawa Director

Thank you very much for your precious prayers and monetary donations. As the Coronavirus spreads throughout the globe, a state of emergency was declared in Japan too, as many cases of group infection and death had been reported. Evidently the times are changing and world evangelism has entered the next phase. We pray for your further intercessory prayers and offerings so that we will be able to take up the work in the next phase.

The Light of Eternal Agape Tokyo Antioch Church, the mother organization of the Water Flowing from the Sanctuary Mission, was founded in 1984 and responded to the calling of God for the work in the End Times and the Revival. We do not seek the help and support of other churches and organizations. All we do is to thoroughly seek the Will of God, to pray and obey Him. In doing so, God opened for us a way to Australia in 2012, the last of the five continents of the world. When God told us about world mission and we responded by faith, no church member spoke English, and only a few had their passports. But as we thoroughly sought the Will of God, prayed and obeyed Him, all the needs for world evangelism including finance were met. The nine gifts of the Holy Spirit which are the weapons of evangelism, especially which of prophecy, were given as we asked for the fast and correct understanding of His Will. Evangelism is the work of the Holy Spirit. Nobody can stop His work when we thoroughly obey Him.

When our Mission started, we had nothing, absolutely nothing but the Word of God and Promise given through the Bible and prophecy. When we stand firm upon His Word, pray to Him even more thoroughly and obey Him, the Lord Himself will work in the promised Revival and reveal His Glory.
